The division has reviewed the application for the educational course listed in the regarding line above and has **approved the course** for the hours and credentials specified in the regarding line. The approval is based upon the information provided with the Educational Course Application.

**Special Examination Requirements:** For certain types of education approvals, we require that you administer an examination to attendees as follows:

- Face-to-face Dwelling Contractor Qualifier and Manufactured Home Installer initial training – Course provider to test attendees on mastery of course content.
- All non-face-to-face training – Minimum 10 review questions per hour with a passing score of 70%
- Question-and-answer training on the code without significant additional training materials provided – Minimum 30 questions per hour with a passing score of 70%.

We may require that you provide us with a copy of the questions and answers that you are using to satisfy the above conditions.
