Comm 5-Use definitions to answer questions 1-85 below

Comm 5.003 Definitions. In this chapter:

(1) “Approved” means accepted by the department.

(1m) “ASME” means American society of mechanical engineers.

(2) “Automatic fire sprinkler contractor” has the meaning specified under s. 145.01 (1), Stats.

Note: Under section 145.01 (1), Stats., “automatic fire sprinkler contractor” means any individual, firm or corporation who has paid the annual license fee and obtained a license to conduct a business in the design, installation, maintenance or repair of automatic fire sprinkler systems.

(3) “Automatic fire sprinkler system” has the meaning specified under s. 145.01 (2), Stats.

Note: Under s. 145.01 (2), Stats., “automatic fire sprinkler system”, for fire protection purposes, means an integrated system of underground and overhead piping designed in accordance with fire protection engineering standards. The system includes a suitable water supply, such as a gravity tank, fire pump, reservoir or pressure tank or connection beginning at the supply side of an approved gate valve located at or near the property line where the pipe or piping system provides water used exclusively for fire protection and related appurtenances and to standpipes connected to automatic sprinkler systems. The portion of the sprinkler system above ground is a network of specially sized or hydraulically designed piping installed in a building, structure or area, generally overhead, and to which sprinklers are connected in a systematic pattern. The system includes a controlling valve and a device for actuating an alarm when the system is in operation. The system is usually activated by heat from a fire and discharges water over the fire area.

(4) “Automatic fire sprinkler system apprentice” has the meaning specified under s. 145.01 (3), Stats.

Note: Under s. 145.01 (3), Stats., “automatic fire sprinkler system apprentice” means any person other than an automatic fire sprinkler system contractor or a journeyman automatic fire sprinkler system fitter who is engaged in learning and assisting in the installation of automatic fire sprinkler systems and who is indentured under ch. 106, Stats.

(5) “Blasting” means any method of loosening, moving or shattering masses of solid matter by use of an explosive.

(6) “Blasting operation” means any enterprise or activity involving blasting.

(6m) “Branch” means an office, other than the main business office, involved in the sales of manufactured homes that advertises as a sales location, displays new or used homes, takes sales calls, is staffed by licensed salespersons, has signage of a licensed dealer, and accepts offers or contracts on manufactured homes.

(6s) “Broker” means a manufactured home dealer who has no sales lot, no inventory and no ownership interest in the manufactured homes being sold.

(7) “Building permit” means an official document or certificate granting permission to perform construction or erosion control work, except for electrical, plumbing or HVAC, on a one- or 2-family dwelling.

(8) “Business establishment” means any industrial or commercial organization or enterprise, including but not limited to a proprietorship, partnership, firm, business trust, joint venture, syndicate, corporation or association.

(8m) “Cash price” means the manufactured home dealer asking price including dealer installed options and accessories and additional dealer mark-up, profit and transportation charges, minus the dollar value of cash discounts.

(9) “Combustible liquid” means a liquid with a flash point at or above 100_F.

(10) “Conflict of interest” means a certified inspector inspecting work in which the inspector or the inspector’s employer, other than the state or a municipality, has participated or has a monetary or personal interest.

(11) “Damage” means defects caused by reasons other than normal wear through home age and usage.

(13) “Department” means the department of commerce.

(14) “Direct supervision” means to assume the responsibility of an activity of others and its results by providing oversight and guidance at the site where the activity is being conducted.

(15) “Dwelling contractor” means any person, firm or corporation engaged in the business of performing construction or erosion control work on a one- or 2- family dwelling. **Note:** Pursuant to s. 101.654 (1) (b), Stats., “dwelling contractor” does not include an owner of a dwelling who resides or will reside in the dwelling.

(16) “Electrical construction” means the installation of electrical wiring. “Electrical construction” does not include the maintenance, repair or fabrication of electrical equipment or the installation of electrical wiring and equipment covered by ch. PSC 114.

(17) “Electrical wiring” means all equipment , wiring, material, fittings, devices, appliances, fixtures and apparatus used for the production, modification, regulation, control, distribution, utilization or safeguarding of electrical energy for mechanical, chemical, cosmetic, heating, lighting or similar purposes as covered by the scope of ch. Comm 16.

(17m) “Financial statement” means a balance sheet showing assets, liabilities and net worth.

(18) “Fireworks” has the meaning specified under s. 167.10 (1), Stats.

Note: Under s. 167.10 (1), Stats., “fireworks” means anything manufactured, processed or packaged for exploding, emitting sparks or combustion which does not have another common use, but does not include any of the following:

(a) Fuel or a lubricant.

(b) A firearm cartridge or shotgun shell.

(c) A flare used or possessed or sold for use as a signal in an emergency or in the operation of a railway, aircraft, watercraft or motor vehicle.

(d) A match, cigarette lighter, stove, furnace, candle, lantern or space heater.

(e) A cap containing not more than one-quarter grain of explosive mixture, if the cap is used or possessed or sold for use in a device which prevents direct bodily contact with a cap when it is in place for explosion.

(f) A toy snake which contains no mercury.

(g) A model rocket engine.

(h) Tobacco and a tobacco product.

(i) A sparkler on a wire or wood stick not exceeding 36 inches in length that is designed to produce audible or visible effects or to produce audible and visible effects.

(j) A device designed to spray out paper confetti or streamers and which contains less than one-quarter grain of explosive mixture.

(k) A fuseless device that is designed to produce audible or visible effects or audible and visible effects, and that contains less than one-quarter grain of explosive mixture.

(L) A device that is designed primarily to burn pyrotechnic smoke-producing mixtures, at a controlled rate, and that produces audible or visible effects, or audible and visible effects.

(m) A cylindrical fountain that consists of one or more tubes and that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.

(n) A cone fountain that is classified by the federal department of transportation as a Division 1.4 explosive, as defined in 49 CFR 173.50.

(19) “Flammable liquid” means a liquid having a flash point below 100_F and having a vapor pressure not exceeding 40 psi absolute at 100_F.

(20) “General supervision” means to assume the responsibility of an activity of others and its results without being present at the site where the activity is being conducted.

(21) “HVAC” means heating, ventilating and air conditioning.

(22) “HVAC equipment” means materials, piping, fittings, devices, appliances, apparatus, controls and control wiring used as part of or in connection with permanent heating, ventilating, air conditioning or exhausting systems serving buildings. HVAC equipment does not include residential bathroom fans and kitchen hoods, water heaters, process heating equipment, and space heaters such as masonry fireplaces and chimneys, factory-built fireplaces and venting systems, decorative gas fireplaces, and wood-burning stoves.

(23) “Incompetence” means conduct which evidences a lack of competence or ability to discharge the duty required to protect the health, safety and welfare of the public, lack of knowledge of the fundamental principles of a particular trade or practice, or an inability to apply those principles, or failure to maintain competency in the current practices and methods applicable to the activity and the state statutes and rules governing the activity.

(24) “Journeyman automatic fire sprinkler fitter” has the meaning specified under s. 145.01 (6), Stats.

Note: Under s. 145.01 (6), Stats., “journeyman automatic fire sprinkler fitter” means any person other than an automatic fire sprinkler contractor who is engaged in the practical installation of automatic fire sprinkler systems.

(25) “Journeyman plumber” has the meaning specified under s. 145.01 (7), Stats. **Note:** Under s. 145.01 (7), Stats., “journeyman plumber” means any person other than a master plumber, who is engaged in the practical installation of plumbing.

(26) “Journeyman plumber-restricted” means a person licensed under s. 145.14, Stats. **Note:** See appendix for further explanatory material.

(26m) “Licensee” means any manufactured home dealer or manufactured home salesperson or any person who is both a manufactured home dealer and a manufactured home salesperson.

(27) “Listed device” has the meaning specified under s. 167.10 (1) (e), (f) and (i) to (n), Stats. **Note:** See the note after the definition of “fireworks”, sub. (18), for the statutory language of s. 167.10 (1) (e), (f) and (i) to (n).

(27e) “Main business office” means an office involved in the sales of manufactured homes that is the primary management location of the licensed manufactured home dealer.

(27m) “Manufactured home” has the meaning given in s. 101.91 (2), Stats. **Note:** Under s. 101.91 (2), Stats., “manufactured home” means any of the following: (am) A structure that is designed to be used as a dwelling with or without a permanent foundation and that is certified by the federal department of housing and urban development as complying with the standards established under 42 USC 5401 to 5425.

(c) A mobile home, unless a mobile home is specifically excluded under the applicable statute.

(27s) “Manufactured home dealer” has the meaning given in s. 101.91 (3), Stats., except for a person who sells no more than one new or used manufactured home in any one calendar year. **Note:** Under s. 101.91 (3), Stats., “manufactured home dealer” means a person who, for a commission or other thing of value, sells, exchanges, buys or rents, or offers or attempts to negotiate a sale or exchange of an interest in, manufactured homes or who is engaged wholly or partially in the business of selling manufactured homes, whether or not the manufactured homes are owned by the person, but does not include:

- (27w)** "Manufactured home community" has the meaning given in s. 101.91 (5m), Stats. **Note:** Under s. 101.91 (5m), Stats., "manufactured home community" means any plot or plots of ground upon which 3 or more manufactured homes that are occupied for dwelling or sleeping purposes are located. "Manufactured home community" does not include a farm where the occupants of the manufactured homes are the father, mother, son, daughter, brother or sister of the farm owner or operator or where the occupants of the manufactured homes work on the farm.
- (28)** "Master plumber" has the meaning specified under s.145.01 (8), Stats. **Note:** Under s. 145.01 (8), Stats., "master plumber" means any person skilled in the planning, superintending and the practical installation of plumbing and familiar with the laws, rules and regulations governing the same.
- (29)** "Master plumber–restricted" means a person licensed under s. 145.14, Stats. **Note:** See appendix for further explanatory material.
- (30)** "Misconduct" means an act performed by an individual relating to the responsibilities or duties for which the individual has been licensed, registered or certified that jeopardizes the interests of the public, including violation of federal or state laws, local ordinances or administrative rules; preparation of deficient or falsified reports; failure to submit information or reports required by law or contract when requested by the municipality or the department; conduct which evidences a lack of trustworthiness; misrepresentation of qualifications such as education, experience or certification; illegal entry of premises; misuse of funds; or misrepresentation of authority.
- (30m)** "Multipurpose piping system" means a type of water distribution system conveying potable water to plumbing fixtures and appliances and automatic fire sprinklers with the intention of serving both domestic water needs and fire protection needs within a one- or 2-family dwelling or manufactured dwelling.
- (31)** "Municipality" means a city, village, town or county.
- (32)** "Negligence" means the failure to exercise the degree of care and judgment to protect public health and safety normally expected of an individual performing activities within the scope of a license, certification or registration category.
- (32e)** "Net worth" means the difference between the asset and liability values on a financial statement. Negative net worth is the excess of liabilities over assets.
- (32h)** "New manufactured home" has the meaning given in s.101.91 (11), Stats. **Note:** Under s. 101.91 (11), Stats., "new manufactured home" means a manufactured home that has never been occupied, used or sold for personal or business use.
- (32m)** "PECFA" means petroleum environmental cleanup fund award, as established in s. 101.143, Stats.
- (33)** "Pipelayer" has the meaning specified under s. 145.01 (9), Stats. **Note:** Under s. 145.01 (9), Stats., "pipelayer" means a person registered under s.145.07 (11).
- (34)** "Plumbing" has the meaning specified under s. 145.01 (10), Stats. **Note:** Under s. 145.01 (10), Stats., "plumbing" means and includes: (a) All piping, fixtures, appliances, equipment, devices and appurtenances in connection with the water supply, water distribution and drainage systems, including hot water storage tanks, water softeners and water heaters connected with such water and drainage systems and also includes the installation thereof. (b) The construction, connection or installation of any drain or waste piping system from the outside or proposed outside foundation walls of any building to the mains or other sewage system terminal within bounds of, or beneath an area subject to easement for highway purposes, including private sewage systems, and the alteration of any such systems, drains or waste piping. (c) The water service piping from the outside or proposed outside foundation walls of any

building to the main or other water utility service terminal within bounds of, or beneath an area subject to easement for highway purposes and its connections. (d) The water pressure system other than municipal systems as provided in ch.281.

(e) A plumbing and drainage system so designed and vent piping so installed as to keep the air within the system in free circulation and movement; to prevent with a margin of safety unequal air pressures of such force as might blow, siphon or affect trap seals, or retard the discharge from plumbing fixtures, or permit sewer air to escape into the building; to prohibit cross-connection, contamination or pollution of the potable water supply and distribution systems; and to provide an adequate supply of water to properly serve, cleanse and operate all fixtures, equipment, appurtenances and appliances served by the plumbing system.

(35) “Plumbing appliance” means any one of a class of plumbing devices which is intended to perform a special function. The operation or control of the appliance may be dependent upon one or more energized components, such as motors, controls, heating elements, or pressure or temperature sensing elements. The devices may be manually adjusted or controlled by the user or operator, or may operate automatically through one or more of the following actions: a time cycle, a temperature range, a pressure range, a measured volume or weight.

(36) “Plumbing apprentice” has the meaning specified under s. 145.01 (11), Stats. **Note:** Under s. 145.01 (11), Stats., “plumbing apprentice” means any person other than a journeyman or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.

(37) “Place of employment” has the meaning specified under s. 101.01 (11), Stats. **Note:** Under s. 101.01 (11), Stats., “place of employment” includes every place, whether indoors or out or underground and the premises appurtenant thereto where either temporarily or permanently any industry, trade or business is carried on, or where any process or operation, directly or indirectly related to any industry, trade or business, is carried on, and where any person is, directly or indirectly, employed by another for direct or indirect gain or profit, but does not include any place where persons are employed in private domestic service which does not involve the use of mechanical power or in farming. “Farming” includes those activities specified in s.102.04 (3), and also includes the transportation of farm products, supplies or equipment directly to the farm by the operator of said farm or employees for use thereon, if such activities are directly or indirectly for the purpose of producing commodities for market, or as an accessory to such production. When used with relation to building codes, “place of employment” does not include an adult family home, as defined in s. 50.01 (1), or, except for the purposes of s. 101.11, a previously constructed building used as a community-based residential facility, as defined in s. 50.01 (1g), which serves 20 or fewer unrelated residents.

(38) “POWTS” means private onsite wastewater treatment system and has the meaning specified under s. 145.01 (12), Stats., for “private sewage system”. **Note:** Under s. 145.01 (12), Stats., “private sewage system” means a sewage treatment and disposal system serving a single structure with a septic tank and soil absorption field located on the same parcel as the structure. This term also means an alternative sewage system approved by the department including a substitute for the septic tank or soil absorption field, a holding tank, a system serving more than one structure or a system located on a different parcel than the structure. A private sewage system may be owned by the property owner or by a special purpose district.

(39) “Private interceptor main sewer” has the meaning specified under s. Comm 81.01 (193). **Note:** Under s. Comm 81.01 (193) “private interceptor main sewer” means a privately owned sewer serving 2 or more buildings and not directly controlled by a public authority.

(40) “Private water main” has the meaning specified under s. Comm 81.01 (195). **Note:** Under s. Comm 81.01 (195) “private water main” means a privately owned water main serving 2 or more buildings and not directly controlled by a public authority.

(41) “Process piping” means that piping which is separated from a water supply system or drain system by the appropriate methods or means specified under ch. Comm 82 and is part of a system used

exclusively for refining, manufacturing, industrial or shipping purposes of every character and description.

(42) “Public building” has the meaning specified under s.101.01 (12), Stats. **Note:** Under s. 101.01 (12), Stats., “public building” means any structure, including exterior parts of such building, such as a porch, exterior platform or steps providing means of ingress or egress, used in whole or in part as a place of resort, assemblage, lodging, trade, traffic, occupancy, or use by the public or by 3 or more tenants. When used in relation to building codes, “public building” does not include a previously constructed building used as a community-based residential facility as defined in s. 50.01 (1g) which serves 20 or fewer unrelated residents or an adult family home, as defined in s. 50.01 (1).

(43) “Refrigeration equipment” has the meaning specified under s. 101.177 (1) (c), Stats. **Note:** Under s. 101.177 (1) (c), Stats., “refrigeration equipment” means mechanical vapor compression refrigeration equipment except for a mobile air conditioner, as defined in s. 100.45 (1) (b), Stats., or trailer refrigeration equipment, as defined in s. 100.45 (1) (e), Stats.

(44) “Registered learner” has the meaning specified under s.145.01 (13), Stats. a restricted plumber licensee, who is learning a limited type of plumbing and is engaged in assisting a restricted plumber licensee.

(45) “Rental unit” has the meaning specified under s. 101.122(1) (e), Stats. **Note:** Under s. 101.122 (1) (e), Stats., “rental unit” means any rented dwelling units. “Rental unit” does not include:

1. Any building containing up to 4 dwelling units, one of which is owner-occupied.
2. Any building constructed after December 1, 1978, which contains up to 2 dwelling units and which is less than 10 years old.
3. Any building constructed after April 15, 1976, which contains more than 2 dwelling units and which is less than 10 years old.
4. Any dwelling unit not rented at any time from November 1 to March 31.

(46) “Restricted plumber licensee” has the meaning specified under s. 145.01 (14), Stats. **Note:** Under s. 145.01 (14), Stats., “restricted plumber licensee” means any person licensed as a master plumber (restricted) or a journeyman plumber (restricted) under s. 145.14.

(46m) “Retail purchaser” means any purchaser not licensed as a manufactured home dealer or a manufactured home salesperson.

(47) “Sanitary building sewer” has the meaning specified under s. Comm 81.01 (45). **Note:** Under s. Comm 81.01 (45) “sanitary building sewer” means a building sewer which conveys wastewater consisting in part of domestic wastewater.

(47m) “Site” means any plot of land which is owned or rented, and used or intended to be used for the accommodation of a manufactured home for residential purposes.

(48) “Storm building sewer” has the meaning specified under s. Comm 81.01 (46). **Note:** Under s. Comm 81.01 (46) “storm building sewer” means a building sewer which conveys storm water wastes or clear water wastes, or both.

(48m) “UDC” means chs. Comm 20 to 25, the Wisconsin uniform dwelling code.

(48s) “Used manufactured home” has the meaning given in s. 101.91 (12), Stats. **Note:** Under s.101.91 (12), Stats., “used manufactured home” means a manufactured home that has previously been occupied, used or sold for personal or business use.

(49) “Utility contractor” has the meaning specified under s.145.01 (15), Stats. **Note:** Under s. 145.01 (15), Stats., “utility contractor” means a person licensed under s. 145.07 (10).

(50) “Water service” has the meaning specified under s. Comm 81.01 (282). **Note:** Under s. Comm 81.01 (282) “water service” means that portion of a water supply system from the water main or private water supply to the building control valve.

(51) “Water supply system” has the meaning specified under s. Comm 81.01 (284). **Note:** Under s. Comm 81.01 (284) “water supply system” means the piping of a private water main, water service and water distribution system, fixture supply connectors, fittings, valves, and appurtenances through which water is conveyed to points of usage such as plumbing fixtures, plumbing appliances, water using equipment

or other piping systems to be served.

1. _____ means a building sewer which conveys wastewater consisting in part of domestic wastewater.
 - a. sanitary building sewer
 - b. storm building sewer
 - c. water service
 - d. water supply system
2. _____ means a building sewer which conveys storm water wastes or clear water wastes, or both.
 - a. sanitary building sewer
 - b. storm building sewer
 - c. water service
 - d. water supply system
3. _____ means that portion of a water supply system from the water main or private water supply to the building control valve.
 - a. sanitary building sewer
 - b. storm building sewer
 - c. water service
 - d. water supply system
4. _____ means the piping of a private water main, water service and water distribution system, fixture supply connectors, fittings, valves, and appurtenances through which water is conveyed to points of usage such as plumbing fixtures, plumbing appliances, water using equipment or other piping systems to be served.
 - a. sanitary building sewer
 - b. storm building sewer
 - c. water service
 - d. water supply system
5. _____ means a person, other than a restricted plumber licensee, who is learning a limited type of plumbing and is engaged in assisting a restricted plumber licensee.
 - a. registered learner
 - b. rental unit
 - c. retail purchaser
 - d. site
6. _____ means any rented dwelling units.
 - a. registered learner
 - b. rental unit
 - c. retail purchaser
 - d. site
7. _____ means any purchaser not licensed as a manufactured home dealer or a manufactured home salesperson.
 - a. registered learner
 - b. rental unit
 - c. retail purchaser
 - d. site
8. _____ means any plot of land which is owned or rented, and used or intended to be used for the accommodation of a manufactured home for residential purposes.
 - a. registered learner
 - b. rental unit
 - c. retail purchaser

- d. site
9. "Rental unit" does include: any building containing up to 4 dwelling units, one of which is owner-occupied.
- a. true
 - b. false
10. "Rental unit" does include: any building constructed after December 1, 1978, which contains up to 2 dwelling units and which is less than 10 years old.
- a. true
 - b. false
11. "Rental unit" does include: any building constructed after April 15, 1976, which contains more than 2 dwelling units and which is less than 10 years old.
- a. true
 - b. false
12. "Rental unit" does include: any dwelling unit not rented at any time from November 1 to March 31.
- a. true
 - b. false
13. _____ means any person licensed as a master plumber (restricted) or a journeyman plumber (restricted) under s. 145.14.
- a. restricted plumber licensee
 - b. Master plumber-restricted
 - c. plumbing apprentice
 - d. master plumber
14. _____ means a person licensed under s. 145.14, Stats.
- a. restricted plumber licensee
 - b. Master plumber-restricted
 - c. plumbing apprentice
 - d. master plumber
15. _____ means any person other than a journeyman or master plumber who is engaged in learning and assisting in the installation of plumbing and drainage.
- a. restricted plumber licensee
 - b. Master plumber-restricted
 - c. plumbing apprentice
 - d. master plumber
16. _____ means any person skilled in the planning, superintending and the practical installation of plumbing and familiar with the laws, rules and regulations governing the same.
- a. restricted plumber licensee
 - b. Master plumber-restricted

Comm 5.09 Examinations. (1) For those license, certification or registration categories which require examination, the department shall conduct at least 4 license, certification or registration examinations annually for each license, certification or registration category at times and locations specified by the department.

(2) An application and fee for a license, certification or registration that requires an examination shall be received by the department at least 30 calendar days prior to the day of the examination. The department may postpone the applicant's appearance to another examination date if any of the following occur:

- (a) The applicant fails to have the application on file with the department within the required time.
- (b) The application information or required qualifications are incomplete.
- (c) The examination center is filled to capacity.

(3) Upon verification of the application and the required qualifications, the department shall notify an applicant in writing of the date, time and place of the examination.

(4) (a) An applicant for license, certification or registration examination shall provide a photo identification or other appropriate evidence to gain admittance to an examination. (b) An applicant shall bring to a license, certification or registration examination all necessary materials as specified by the department.

(c) 1. Except as provided in subd. 2., an applicant who fails to appear at a scheduled license, certification or registration examination without giving notice to the department at least 24 hours before the examination shall be considered to have failed the examination and shall be required to submit a re-examination application and examination fee. 2. The department may waive the 24-hour notification requirement of subd. 1. due to inclement weather, if the applicant notifies the department the day of the examination.

(5) The examination for a license, certification or registration shall be based on a job analysis of the knowledge, skills and abilities associated with the license, certification or registration. The examination shall include all of the following subject matter: (a) Regulations and standards governing the work or activities required or permitted under the license, certification or registration. (b) Theories, principles, and practices associated with the activities required or permitted under the license, certification or registration.

(6) (a) A grade of 70% or greater in each part of a license, certification or registration examination shall be considered a passing grade. (b) 1. Except as provided in subd. 2., an applicant failing a part of a multi-part license, certification or registration examination shall be required to retake only those parts failed. 2. An applicant who does not pass all required parts of a multi-part license, certification or registration examination within one year after the date of the initial examination shall apply, retake

and pass all parts of the license, certification or registration examination.

- (7) (a) The department shall inform an applicant of the results of an examination in writing within 21 calendar days from the examination date. (b) Upon notification of failing a license, certification or registration examination, an applicant may request another examination in accordance with s. Comm 5.01. (c) 1. An applicant who has successfully passed a license, certification or registration examination may submit an application and the license, certification or registration fee as specified under s. Comm 5.02, Table 5.02 for the appropriate license, certification or registration within 3 months after the date the department had mailed the results of the examination. 2. Failure to apply for a license, certification or registration in accordance with subd. 1., shall necessitate the applicant to apply, retake and pass another license, certification or registration examination in order to obtain the license, certification or registration.
- (8) (a) An applicant may request and make an appointment with the department to review his or her examination. (b) An applicant who has failed his or her examination may not review the examination less than 7 calendar days before the applicant is scheduled to retake the examination. (c) The department shall retain license, certification or registration examinations at least 2 months after the date of the examination.

Comm 5.10 Denial, suspension and revocation.

(1) Except as provided in sub. (2) pertaining to licenses or registrations for master plumbers, journeyman plumbers, cross connection control testers and utility contractors, the department may deny, suspend or revoke a license, certification or registration under this chapter in accordance with this subsection.

(a) *Reasons.* The department may deny, suspend or revoke a license, certification or registration under this chapter if the department determines that an applicant or holder of the license, certification or registration is responsible for any of the following:

1. Fails to meet the qualifications for the license, certification or registration.
2. Has obtained the license, certification or registration through fraud or deceit.
3. Has demonstrated negligence or incompetence in fulfilling the responsibilities or obligations of the license, certification or registration.
4. Has a conflict of interest in fulfilling the responsibilities or obligations under the license, certification or registration.
5. Has demonstrated misconduct in fulfilling the responsibilities or obligations under the license, certification or registration.
6. Has been arrested or convicted for a crime substantially related to the license, certification or registration.
7. Has a physical or mental impairment which prevents the applicant or holder from fulfilling the responsibilities or obligations under the license, certification or registration.
8. Has violated state, federal or local laws or regulations relating to the conduct of the activities under the license, certification or registration.
9. Has been certified by the department of revenue under s.73.0301, Stats., to be liable for taxes.
10. Has been delinquent in making court-ordered payments relating to the support of a child or former spouse pursuant to s.101.02 (21) (a), (c) and (d), Stats.
11. Has failed to comply with a subpoena or warrant issued by the department of workforce development or a county child support agency relating to paternity or child support proceedings pursuant to s. 101.02 (21) (a), (c) and (d), Stats.
12. If registered or certified under ss. Comm 5.80 to 5.81, has performed any of the following:
 - a. Intentionally shifted costs, for the purpose of making ineligible costs appear to be eligible.
 - b. Intentionally billed for activities not undertaken at a specific cleanup site.
 - c. Rebated the deductible or structured a claim to provide a responsible party with a rebate or reimbursement of the deductible.
 - d. Intentionally submitted invoices or bills containing fraud, or submitted claims that were incomplete or contained fraud.
 - e. Conducted unnecessary, ineffective or incomplete remedial activities or services.
 - f. Attempted to defraud, including but not limited to false or double billing of clients for work conducted.
 - g. Charged a fee that the department determined was excessive, after written notice from the department that the fee was excessive and should not have been charged.
 - h. Failed to maintain required records.
 - i. Denied the department access to requested records.
 - j. Failed to submit a required notice or report to the department, within a required time period.
 - k. Exhibited a pattern of attempting and failing to complete remediations of PECFA sites. (b) *Notice of denial, suspension or revocation.* Except as provided under s. 101.654 (4), Stats., relative to a dwelling contractor financial responsibility certification, and par. (c), a notice of denial, suspension or revocation shall be sent to the applicant or the license, certification or registration holder. The notice shall include all of the following:
 1. The basis for the denial, suspension or revocation, including the facts relied on by the department to make its decision and a citation of applicable statutes and administrative rules establishing the legal basis for the decision; and
 2. A statement that the applicant or the license, certification or registration holder may file a request for an administrative hearing. **Note:** See the appendix under A5.31 for a reprint of s. 101.654 (4), Stats.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license, certification or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license, certification or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearing.* 1. The request for an administrative hearing shall be received by the office of legal counsel of the department no later than 30 days following the date of mailing of the notice under par. (b), otherwise, the request for hearing shall be denied by the department. Facsimile requests received after 4:30 p.m. are considered filed on the next business day.

2. Hearings shall comply with the provisions of ch. 227, Stats.

(e) *Surrender of license, certification or registration.* A person whose license, certification or registration has been suspended or revoked shall surrender the license, certification or registration to the department upon request.

(f) *Reinstatement.* 1. Suspension. a. A person whose license, certification or registration has been suspended may apply to have the license, certification or registration reissued only after the time set for suspension by the department or hearing examiner has passed and by complying with the conditions set forth in the suspension order.

b. The request to the department to have a suspended license, certification or registration reissued shall be made in writing.

c. The department may require a person whose license, certification or registration has been suspended to apply for the license, certification or registration by complying with all of the requirements for a new applicant, including paying the application fees and successfully passing an examination.

d. The department may impose conditions on the reissued license, certification or registration to assure compliance with this chapter.

2. Revocation. A person whose license, certification or registration has been revoked may not apply to ever receive such a license, certification or registration.

(2) Pursuant to s. 145.10, Stats., the department may suspend or revoke the license or registration of any master plumber, journeyman plumber, master plumber–restricted, journeyman plumber–restricted, utility contractor, or cross connection control tester in accordance with this subsection.

(a) *General.* The department may suspend or revoke a license or registration for any of the following reasons:

1. The practice of fraud or deceit in obtaining a license or registration.

2. Negligence, incompetence or misconduct in the practice or work allowed by the license or registration.

3. Failure to correct an installation for which the license or registration holder is responsible within the time prescribed by the department.

Note: Section 145.10 (1) (b), Stats., indicates that the correction of an installation must take place within 30 days following notification by the department of a violation.

4. Falsified information on an inspection form under s. 145.20 (5), Stats.

(b) *Investigations.* The department may conduct an investigation of any alleged violations of this chapter or chs. Comm 82 and 83. If it is determined that no further action is warranted, the department shall notify the persons affected. If the department determines that there is probable cause, it shall order a hearing and notify the persons affected.

(c) *Summary suspension.* Under s. 227.51 (3), Stats., the department may summarily suspend any license or registration if the department finds that immediate action is necessary for public health, safety or welfare. The summary suspension of a license or registration shall remain in effect until after a final decision is issued following a hearing.

(d) *Hearings.* The hearing for the suspension or revocation of a license or registration shall be conducted as a contested case hearing in accordance with ch. 227, Stats., and s. 145.10, Stats.

(e) *Findings.* The department may make findings and enter its order on the basis of the facts revealed by its investigation. Any findings as a result of petition or hearing shall be in writing and shall be binding unless appealed to the secretary.

1. Suspension. The period for suspension shall be determined by the hearing examiner or the department. The period for suspension may not exceed one year. A person whose license or registration has been suspended may apply to have the license or registration reinstated by filing a new application and payment of the appropriate fee specified in s. Comm 5.02.

2. Revocation. The period for revocation shall be determined by the hearing examiner or the department. The period for revocation shall not exceed one year. A person whose license or registration has been revoked shall be eligible for the license or registration only after the time set for revocation by department order has passed. A person whose license or registration has been revoked may apply to have the license or registration reinstated only after submitting a completed application for license or registration examination, if required, payment of the examination fee, passing of the examination and payment of the license or registration fee specified in s.
